Flat for sale in La Cala with views to the sea and the beach of La Cala. The first thing we have to highlight is the size of the flat which is neither more nor less than 326 square meters of constructed area of which 248 square meters of usable area are distributed as follows: -4 large double bedrooms, 3 of which are double bedrooms with their own complete bathrooms. -As we have highlighted before it has 3 bathrooms completely equipped and with the plumbing installation completely new. -A spacious living room with sea views. -Independent and fully equipped kitchen, as well as an independent space for utensils and food preparation. -A huge terrace of about 50 square meters which is distributed in three areas. The first is a completely glazed terrace, the second is an open terrace with sun loungers and barbecue area and the third is a terrace with pergola and awnings. Regarding the state of the property we can point out that it has been completely refurbished and the reform is brand new. Apart from the cosmetic works of painting and decoration, all the electrical and plumbing installation has been done. It also has a parking space in the urbanisation, which has a large space with numerous communal areas. With respect to its location we can highlight that it is next to the beach of La Cala, only 300 metres walking. It has all the services at street level, as well as public transport stops.
