Discover a modern residential development offering high-quality, energy-efficient homes designed for comfort and style. Each property includes underfloor heating in all bathrooms, elegant shower screens, and fully equipped bathroom cabinets with mirrors and lighting.

The kitchens come complete with built-in appliances including an inset fridge, extractor fan, vitroceramic hob, oven, washing machine, and dishwasher. Bedrooms are fitted with electric aluminium blinds and spacious built-in wardrobes, featuring lined wooden interiors, drawers, and hanging space.

Additional features include pre-installed air conditioning throughout the home, a secure entrance door with six locking points, and remote-controlled access to the parking area. There's also a pre-installation for electric car charging, ensuring future-ready convenience.

Large windows with high-performance Guardian Sun glass provide excellent natural light while maintaining optimal thermal and acoustic insulation, creating bright and comfortable living spaces perfectly suited to the Mediterranean climate.
