With the first part of Phase 3 all sold and written, consisting of 12 semi-detached chalets and communal areas of swimming pools and children's games.

We now begin the structures of what will be the last phase of the semi-detached chalets, in this case 14 semi-detached chalets. These houses change in some aspects the exterior, since we have chosen another color for the composite of the facade, detail that makes them unique.

They are triplex homes with 3 bedrooms (optionally they can be of 2) and 3 bathrooms, with luxury qualities in an emblematic area of Denia. You can enjoy the views of the Montgó Natural Park from the solarium of your house.
