The masterpiece! The most spectacular of the four residentials that have been built so far. First, because of its location and its incredible views of the sea and the mountains, and second, because of its architecture.

A complex made up of 11 unique and different houses. You will not know why but when you enter you will notice that it is your house, that you want to live there, that you need it, to be your home and that of your whole family.

All the houses have 3 bedrooms and 4 bathrooms, a living room and a kitchen that you will not want to leave, several gardens and terraces that you can enjoy all year round. And the best, the pool that surrounds the entire house and that makes it unique.

But, do not settle for anything, dare to personalize your home as much as you want and need, make it yours, make it unique and personal.
