The residencial is located in one of the most beautiful spots on the Costa Blanca, between Ciudad Quesada and Pueblo Bravo, next to the natural park and very close to the beaches of Guardamar. We invite you to live in this area and to participate in its villages, beaches, gastronomy and parties.

With a careful distribution, the development has conceived houses looking for the best orientation, using an intelligent conception of the spaces, terraces, steps gardened, swimming pool and shady area, creating an environment in which the quiet life and the outdoors are the main protagonists.

In this development our clients can choose between two different models: Laguna Rosa and Laguna Azul, they can also choose between 2 or 3 bedrooms to suit the client needs and with the optional basement to expand the house. The residential is private with electric motor pre-installation for the car access.
