Top-floor apartments provide panoramic views of the salt lake, and ground-floor apartments have large terraces overlooking the green area.

These apartments share beautiful green areas and two large swimming pools. This residential complex offers modern design, selected materials, and apartments finished to the highest specifications using only top-quality materials. Optional underground parking and storage spaces are available.

The complex is located in a quiet area, next to Torrevieja, and is very special—not just in Spain but in all of Europe. Next to the salt lakes and also the Mediterranean Sea, you live in the cleanest and healthiest air. The residential complex will be built up on a hillside; in this way, the view and air quality are clear and unique.
