For sale this spacious apartment located in Las Piscinas Naturales. It consists of 3 bedrooms, 2 bathrooms, separate kitchen with gallery and large living room with glazed terrace that offers fantastic views of the sea. A parking space in the same building is included in the price. In Torrevieja, the natural pools are one of the most popular attractions in the city. They are located on Paseo Juan Aparicio, right in the center, and are made up of rocky areas with spaces set up for bathing. Thanks to the breakwaters, the water is calmer and safer, ideal for families and people looking for an experience different from the typical day at the beach. These natural pools have easy access, with stairs that facilitate entry into the water, and are surrounded by walking areas, restaurants and cafes.
