House for sale in the center of Denia, with all services nearby.

Built in 2002, this house has four large floors.

The first floor is distributed in a hall, a large living room with fireplace, a spacious kitchen, a bathroom with shower and a patio. On the second floor a full bathroom, three double bedrooms of which one of them is especially large and has en suite bathroom with double sink. On the third floor an independent apartment with full kitchen and bathroom.

High quality throughout the house that has double glazing, mosquito nets and air conditioners.

The ground floor is a commercial premises of 90 meters that could be bought next to the house and that could be easily transformed into a garage, although it is not included in the price.
