Today we present this spacious apartment located on the second line of the well-known Acequión Beach, in Torrevieja. The property is originally presented and consists of 3 bedrooms, 2 bathrooms (both with shower), separate kitchen with gallery and large living-dining room with access to a terrace that allows us to see the sea. Acequión Beach is in Torrevieja, on the Costa Blanca, and is one of the most peculiar areas of the city. It is located in a strategic location, protected by the port, which makes it a beach with very calm waters, with hardly any waves.
