We present this cozy 67.00 m² apartment located in the popular area of Puerto, an ideal location for those looking to be close to the sea and enjoy all the comforts that the urban center offers. The property has two double bedrooms equipped with fitted wardrobes, a completely renovated bathroom and a modern and functional kitchen. The living room is spacious and illuminated thanks to its large windows, which gives the space a warm and comfortable atmosphere. It also has air conditioning installed, both hot and cold, along with a reinforced door, giving you greater security. As far as the extras are concerned, it also has an elevator, thus making the home more comfortable if possible, being perfect for either having physical problems or simply carrying heavy things. It also has green areas within its urbanization full of natural trees allowing you to relax after your long working days. On the other hand we have such important places nearby such as supermarkets or medical centers where you will have no problem getting around. All this without having children's recreational areas designed exclusively for them. kids, you couldn't ask for anything better! For all these reasons, this little gem can be yours from €139,900.
