Exceptional Location: Seafront Located literally on the beachfront, this flat offers panoramic sea views from the living room and bedrooms, allowing you to breathe in the sea breeze every day and enjoy unique sunrises. Cala de la Higuera, one of the most popular areas of Torrevieja due to its natural surroundings and tranquillity, also offers direct access to coves, promenades, restaurants and amenities, all within walking distance. Layout and spaces The property has a generous surface area and a functional layout, perfect for adapting to modern needs after renovation. It currently has: Four spacious bedrooms, ideal for large families or for converting some of them into an office or leisure area. A full bathroom, with enough space to redesign and modernise it to the buyer's liking. A separate kitchen with an adjoining utility room, which provides natural light and ventilation, as well as storage space or a laundry area. The flat retains its solid structure and spacious rooms, characteristics that are highly valued in buildings in the area, making it easy to carry out a comprehensive, personalised refurbishment, turning it into a modern, bright and high-value home. Investment Opportunity Beyond its charm and location, this property stands out for its great potential as an investment. With a well-planned renovation, the flat can be transformed into an exclusive beachfront home or an ideal product for the tourist market, offering high returns on holiday rentals given its privileged location and high demand in the area. The seafront in Torrevieja is one of the most sought-after locations, and properties with these characteristics — four bedrooms, open views of the Mediterranean and ample possibilities for redesign — are becoming increasingly scarce.
