I present this wonderful apartment with park views in the luxury La Entrada development, Punta Prima. The apartment offers a constructed area of 121 m², distributed on the third floor. The home features a bright living-dining room and a fully equipped open-plan kitchen. It has 2 bedrooms and 1 bathroom, and a terrace with views of the park and the pools with green areas of the development. Thanks to its south-facing orientation, the apartment enjoys excellent natural light throughout the day. The La Entrada development offers its residents a variety of amenities, including 1 heated pool and 2 communal pools, spacious gardens, and 24-hour security in a gated community, ensuring tranquility and well-being. The property also includes an underground parking space. The location is another highlight: surrounded by all necessary amenities, a five-minute drive from La Zenia Boulevard Shopping Center and the Habaneras Shopping Center. A five-minute walk from Cala Piteras Bay and two other beaches: Punta Prima Beach and Cala Ferris. You'll love this home with its beautiful views and all-day natural light! I invite you to visit it!
