Corner house with large garden and dual street access Corner property with a large private tiled garden of approx. 100 m². Located between two streets, with a pedestrian entrance on one side and driveway access from a main avenue — perfect as a home or an investment. The house is distributed over two floors: •Ground floor: living room with fireplace, separate kitchen, bathroom with shower, and one bedroom. •Upper floor (exterior access): two bedrooms, a full bathroom, and a sunny terrace. Surrounded by greenery and offering plenty of outdoor space to enjoy, renovate, or even build something new. Excellent location: close to the town center, all services, and easy access. Looking for a project with great potential? This is it.
