A privileged area, surrounded by all the essential services for daily life: supermarkets, pharmacies, shops, restaurants, medical centers, and public transport. Situated on the first floor with completely open views, this home stands out for its brightness and natural ventilation. The property offers a functional and comfortable layout: a large living-dining room with direct access to two terraces, ideal for enjoying the Mediterranean climate. Three double bedrooms, one of them with a private dressing room and en-suite bathroom, perfect for families or those needing extra space. A second full, independent bathroom. And a fully equipped separate kitchen with access to a large enclosed gallery offering a practical laundry and storage area.
