Detached house built in 2001, with a total built area of 239 m² on a 1,152 m² plot, located in a quiet area surrounded by green zones. It is a spacious, bright, and well-maintained property, with south-facing outdoor areas ideal for year-round enjoyment of the Mediterranean climate.

The main entrance is through the northwest-facing façade. On the main floor, there is a large curved living-dining room with a fireplace, a fully equipped independent kitchen, three bedrooms with built-in wardrobes, and two bathrooms. Upstairs, the tower room is currently used as an office and provides access to a rooftop terrace with open views of the Torre Vieja Salt Lakes.

An additional guest room with en-suite bathroom and independent access from the garden offers extra privacy—ideal for visitors or as a separate studio.

The outdoor area is carefully landscaped, featuring mature gardens with fruit trees such as lemon trees, various palm trees, a decorative fountain, and multiple seating areas. The private pool area, oriented to the south, includes a built-in shower, jacuzzi, pergola, and a fully equipped outdoor kitchen with barbecue. An enclosed terrace acts as a winter dining or lounge space.

There is also an independent building in the garden currently used as a laundry room and gym, with a surface area of 53.55 m², equipped with solar panels on the roof to increase energy efficiency.

The private pool measures 35.87 m² and is complemented by well-designed leisure facilities.

The property includes a 32 m² covered garage with an electric car charging station, a carport, and ample space on the plot for additional parking.

The annual property tax (IBI/SUMA) is just €760.97. A versatile and complete home, ready to move into, combining privacy, functionality, and excellent outdoor living.
