This residential complex is designed for people over 65 years old who wish to live independently while enjoying a wide range of services and activities that allow them to embrace the Mediterranean lifestyle on the Costa Blanca. It consists of 233 apartments and a large central building that offers an extensive selection of social, healthcare, and cultural services.

Each residence is equipped with a 24-hour medical alarm system connected directly to the complex's medical center. In addition, the community is gated and equipped with security cameras and on-site guards to ensure residents' safety. There is also an on-site restaurant offering delicious menus that combine the best of local and international cuisine.
