These contemporary luxury villas are part of a new residential development located in a privileged area of Costa Blanca South, surrounded by nature and tranquility. Defined by clean architectural lines, open interiors, and abundant natural light, these homes offer a warm and inviting atmosphere.

Spread over two floors, the villas feature a thoughtful layout. The upper level is dedicated to the master suite, complete with a walk-in wardrobe, en-suite bathroom, and direct access to a large solarium and terrace, which is perfect for enjoying beautiful views of the resort. The bathrooms include full-screen showers and underfloor heating for maximum comfort.

The kitchen designed in natural earthy tones, blends seamlessly with the overall aesthetic of the home. Crafted from premium materials, it offers generous storage through full-height cabinets and an open-plan layout that enhances space and light.

From the living room, large glass doors lead directly to the garden area, where residents can enjoy the Mediterranean climate on a spacious terrace with a built-in pergola and a private swimming pool, an ideal place to gather with family and friends.
